DEDICATED SERVICES

A dedicated contact carriage arrangement provides equipment and drivers committed to you without the investment capital. Keller Dedicated Services maximizes inventory flow to your warehouse, and provides full visibility with real-time tracking.

OUR PHILANTHROPIC EFFORTS

We have committed to giving back to the communities we serve by donating a percentage of the revenue generated by our charity trucks to projects and organizations that mean the most to our employees. Operation K.A.V.I.C. (Keller Assists Veterans In Crisis), our in-house philanthropy, has raised over \$400,000 to help local veterans avoid financial crisis.
