

Keller Warehousing & Co-Packing

RESPONSIVE • RESOURCEFUL • RELIABLE

Keller Warehousing & Co-Packing, an affiliate of Keller Logistics Group, currently operates over 3 million SF of dry warehouse space...and growing!

We understand that your supply chain is an ever-changing puzzle and that's why we take pride in our flexibility. With over 10 years experience in the food and beverage industry, we specialize in seasonal, shared use, dedicated, and year-round warehousing operations and have a vast knowledge of the certifications and specifications required for food grade facilities. We are familiar with SQF, AIB, GDP, USDA and FDA requirements and have been successfully monitored by 3rd party auditors to maintain these certifications.

Continuous Improvement efforts create and sustain a culture that utilizes LEAN tools to eliminate waste, provide consistent product quality, and inspire inventive ways to improve processes to provide the most competitive price for our services.

All locations can be supported by our Freight Solutions affiliate making us a strong transportation & logistics partner for a diverse range of clientele. We have a well-developed process and resources for successfully finding warehouse sites, taking down leases and beginning operations for our customers anywhere in the country, often within a month's time.
